**Code:**

**Vendor code:**

**EAN code:**

Intel® Core™ i3-6006U (3MB Cache, 2GHz), 4GB DDR4-SDRAM, 256GB SSD, 39.6 cm (15.6") Full HD 1920 x 1080, DVD±RW, Intel HD Graphics 520, LAN, WLAN, Bluetooth, Windows 10 Home 64-bit

### **An IT admin's dream**

The Lenovo V130 small-business laptop is highly portable, weighing in at just 3.96 pounds / 1.8 kg—yet it features powerful processing so it's a cinch to work with anywhere. This laptop is highly secure with Trusted Platform Module, which works in conjunction with Windows 10 Pro Bitlocker to encrypt data and passwords. And the privacy camera shutter ensures the webcam is off when it's off—no chance of hackers inconspicuously spying.

### **No matter what your angle**

With the antiglare display, the V130 delivers rich visuals no matter what you're doing. Complete your project. Be creative. Watch a movie. The display opens 180 degrees, making it simple to share and collaborate, or just get comfortable with your laptop at the angle you want. And with stereo speakers and Dolby Audio™ no matter what you're listening to, it's sure to sound as good as it looks.

### **Think outside the cubicle**

The full-sized, ergonomic keyboard on the V130 was engineered for comfort and typing accuracy. The large touchpad makes it even easier to be productive wherever you are—no mouse required—and the one-piece design looks sleek. This keyboard is also spill-resistant, so you can go about your business without concern for the little mishaps of daily life.

### **Built for business, tested for life**

Our V Series laptops undergo reliability and durability checks to ensure they run smoothly for years to come. From withstanding shocks and vibrations to enduring the rigors of daily handling. From hinge-life testing to fan reliability, operating temperatures, pressure tests, and more. We know your PC can impact your livelihood, so we make sure your V130 will last. And last.

## Laugh at would-be hackers

We know how important your information is. That's why the V130 features Trusted Platform Module (TPM), which works in conjunction with Windows 10 Pro Bitlocker. Together they encrypt all your data, as well as your passwords. What's more, this laptop has a privacy cover for your webcam—so you'll never need to worry about being spied on.

## Accu/Batterij

|   |                      |
|---|----------------------|
| Aantal cellen in de batterij            | 2                    |
| Accu/Batterij capaciteit (Watt uur)     | 30 Wh                |
| Energie-opslagtechnologie accu/batterij | Lithium-Ion (Li-Ion) |

## Audio

|                                |             |
|--------------------------------|-------------|
| Aantal ingebouwde luidsprekers | 2           |
| Aantal microfoons              | 1           |
| Audiosysteem                   | Dolby Audio |
| Ingebouwde microfoon           | Ja          |
| Vermogen luidsprekers          | 2 W         |

## Beeldscherm

|                       |                       |
|-----------------------|-----------------------|
| 3D                    | Nee                   |
| Beeldoppervlakte      | Mat                   |
| Beeldscherm diagonaal | 39,6 cm (15.6")       |
| Beeldverhouding       | 16:9                  |
| HD type               | Full HD               |
| Helderheid            | 220 cd/m <sup>2</sup> |
| LED backlight         | Ja                    |
| Resolutie             | 1920 x 1080 Pixels    |
| Touchscreen           | Nee                   |

## Beveiliging

|   |                              |
|---|------------------------------|
| Bevestigingsmogelijkheid voor kabelslot | Ja                           |
| Password bescherming                    | HDD, Inschakelen, Supervisor |
| Trusted Platform Module (TPM)           | Ja                           |
| Vingerafdruklezer                       | Nee                          |
| Wachtwoordbeveiliging                   | Ja                           |

## Camera

|                                |      |
|--------------------------------|------|
| Automatisch scherpstellen      | Nee  |
| Camera voorzijde               | Ja   |
| Signaalformaat camera voorkant | 720p |

## Certificaten

|                         |        |
|-------------------------|--------|
| Energy Star-certificaat | Ja     |
| EPEAT compliance        | Zilver |
| RoHS compliance         | Ja     |

## Design

|                        |  |
|------------------------|--|
| Intel® segment tagging | Small Business                                     |
| Kleur van het product  | Grijs  |
| Kleurnaam              | Iron Grey  |
| Markt positionering    | Bedrijf  |
| Materiaal behuizing    | Acrylonitriëlbutadieenstyreen (ABS), Polycarbonaat |
| Producttype            | Notebook   |
| Vormfactor             | Clamshell  |

## Energie

|                            |             |
|----------------------------|-------------|
| AC-adapter ingangsspanning | 100 - 240 V |
| AC-adapter, vermogen       | 45 W        |
| AC-adapterfrequentie       | 50 - 60 Hz  |

## Geheugen

|                                   |                    |
|-----------------------------------|--------------------|
| Geheugen form factor              | On-board + SO-DIMM |
| Geheugenslots                     | 1x SO-DIMM         |
| Intern geheugen                   | 4 GB               |
| Intern geheugentype               | DDR4-SDRAM         |
| Kloksnelheid geheugen             | 2133 MHz           |
| Maximaal intern geheugen (64-bit) | 12 GB              |
| Maximum intern geheugen           | 12 GB              |

## Gewicht en omvang

|         |         |
|---------|---------|
| Breedte | 375 mm  |
| Diepte  | 253 mm  |
| Gewicht | 1,8 kg  |
| Hoogte  | 22,3 mm |

## Grafisch

|   |                        |
|---|------------------------|
| Aantal displays ondersteund (door on-board grafische adapter) | 3                      |
| Aparte grafische adapter                                      | Nee                    |
| Basisfrequentie ingebouwde grafische adapter                  | 300 MHz                |
| Discreet grafische adapter model                              | Intel® HD Graphics 520 |
| Discreet grafische adapter model                              | Niet beschikbaar       |
| Familie ingebouwde grafische adapter                          | Intel® HD Graphics     |

|  |         |
|--|---------|
| Graphics on-board -adapter dynamische frequentie (max) | 900 MHz |
| Ingebouwde grafische adapter                           | Ja      |
| Maximaal geheugen ingebouwde grafische adapter         | 32 GB   |
| On-board grafische adapter DirectX-versie              | 12.0    |
| On-board grafische adapter ID                          | 1916    |
| On-board grafische adapter OpenGL versie               | 4.4     |

## Netwerk

|  |                    |
|--|--------------------|
| 3G                                     | Nee                |
| 4G                                     | Nee                |
| Bluetooth                              | Ja                 |
| Bluetooth-versie                       | 4.1                |
| Ethernet LAN                           | Ja                 |
| Ethernet LAN, data-overdrachtsnelheden | 10,100,1000 Mbit/s |
| Soort antenne                          | 1x1                |
| Wi-Fi                                  | Ja                 |
| Wi-Fi-standaarden                      | IEEE 802.11ac      |
| Wifi-standaard                         | IEEE 802.11ac      |

## Opslagmedia

|                                    |                  |
|------------------------------------|------------------|
| Aantal geïnstalleerde SSD's        | 1                |
| Compatibele geheugenkaarten        | MMC,SD,SDHC,SDXC |
| Geïntegreerde geheugenkaartlezer   | Ja               |
| Opslagmedia                        | SSD              |
| Solid State Drive (SSD) capaciteit | 256 GB           |
| SSD-vormfactor                     | M.2              |
| Totale opslagcapaciteit            | 256 GB           |

## Optische drive

|                      |        |
|----------------------|--------|
| Soort optische drive | DVD±RW |
|----------------------|--------|

## Poorten & interfaces

|   |    |
|---|----|
| Aansluiting voor netstroomadapter         | Ja |
| Aantal Ethernet LAN (RJ-45)-poorten       | 1  |
| Aantal HDMI-poorten                       | 1  |
| Aantal poorten USB 3.0 (3.1 Gen 1) Type A | 2  |
| Combo koptelefoon/microfoon port          | Ja |

## Processor

|                        |         |
|------------------------|---------|
| Aantal processorkernen | 2       |
| Bus type               | OPI     |
| Codenaam processor     | Skylake |

|                                    |   |
|------------------------------------|---|
| ECC ondersteund door processor     | Nee   |
| Frequentie van processor           | 2,00 GHz                                    |
| Maximaal aantal PCI Express-lijnen | 12  |
| PCI Express configuraties          | 1x2+2x1,1x4,2x2,4x1                         |
| PCI Express slots versie           | 3.0   |
| Processor aantal threads           | 4   |
| Processor cache                    | 3 MB  |
| Processor cache type               | Smart Cache                                 |
| Processor lithografie              | 14 nm                                       |
| Processor operating modes          | 64-bit                                      |
| Processor socket                   | BGA 1356                                    |
| Processorfamilie                   | Zesde generatie Intel® Core™ i3             |
| Processormodel                     | i3-6006U                                    |
| Processorserie                     | Intel® Core i3-6000 Mobile Processor Series |
| Stepping                           | D1  |
| Systeembus                         | 4 GT/s                                      |
| Thermal Design Power (TDP)         | 15 W  |
| Tjunction                          | 100 °C                                      |

## Processor speciale functies

|  |       |
